Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without gripping.

When cross, irritable, feverish, or breath is bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleaning" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeiters sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."

Delicious "Fruit Laxative" Can't Harm Stomach, Liver and Bowels.

Real hand made Laces at Popular Prices

Every woman can now afford to use Real Lace

NO store in South Bend has ever before tried to sell Real Laces. If you ask why, the answer is that nobody had found the way to sell Real Laces at prices within the reach of modest purses.

We have found the way, and that is our good news for you today.

It gives us much pleasure to announce that we have obtained for South Bend the selling agency for the

Imperial Royal Austrian Lace Industries

Here is an entirely new idea in selling Real Laces. You can no longer consider them as a luxury beyond your reach. We are prepared to show you the genuine economy of buying Real Lace.

This department is for the thrifty woman who wants to make every dollar go as far as she can. She is

the one who will appreciate most what we are trying to do for her.

She will see that Real Laces as we sell them are

no longer an extravagance but real economy

It is not like machine-made lace that you use once and throw away—it can be used over and over and over again from one garment to another. It looks its quality when you buy, and it looks its quality as long as you use it.

You will forget that you ever thought you couldn't afford Real Lace when we show you the many beautiful things we have gathered for you at very little prices indeed. For instance:

Real Lace Medallions 5c, 10c, 15c, 25c and up.

Real Lace Yokes 25c, 38c, 50c, \$1 and up.

Real Lace Collars 25c, 50c, 75c, \$1 and up.

Real Lace by the yard 10c, 15c, 25c, 50c and up.
